Mary Kate's Legacy Foundation helps families with special needs children free themselves from their physical barriers and improve their quality of life. We have purchased van lifts to enable these children to visit family and friends, go to the park and even family vacations! We've done improvements to their homes to assist in their daily living, like ceiling lifts and wheelchair ramps. These things we all take for granted are just some of the ways we are assisting special needs children. Mary Kate had an amazing spirit and despite her weak shell she had a great impact on all those who met her. We hope that her spirit will live on through this foundation, but we need your help. For more information on how you can support Mary Kate's Legacy, please visit our website at [www.marykateslegacy.com](http://www.marykateslegacy.com).
